## **Tips for Your Portrait Session**

### **Basic Wardrobe Tips**

Choose wardrobe to reflect the look you want – fun, casual or formal.

- Make sure your clothes are clean & well-pressed
- Solids & simple patterns are best
- For a formal look choose mid-tone and deep tones
- For a casual or romantic look choose light colors
- Long sleeves work better than short
- Scoop necklines or v-necks flatter fuller faces and shorter necks
- Turtlenecks & higher necklines flatter slender faces and long necks
- Keep jewelry small and simple

### **For Groups – Keep It Simple**

For a group, large or small, follow the Basic Tips noted above but also think about coordinating everyone's wardrobe; simplify, by choosing similar colors, patterns, and styles. This creates a greater sense of togetherness and lets the subjects shine. For example:

- Similar Style Tops & Bottoms – Formal to casual; sweaters, shirts & blouses; slacks, skirts, jeans, or khakis
- Similar Colors – Solids or simple prints; assorted pastels, medium to rich colors, white, blacks, blues, neutrals, etc. Taking it one step further...everyone in jeans (bottom) with white or blue shirts and blouses (top).

### **Hair, Makeup & Sun**

You'll want your hair and make-up to be ready when you arrive for your portrait session. It'll be the finishing touches once you arrive. Keep in mind...

- Good Hair – Bring a comb and brush. If necessary, cut and/or color at least one week before your session
- Fingers and Toes – Nails should be clean, even, and, if polished, use a clear polish
- Ladies – Keep make-up light, natural & fresh
- Guys – A fresh, close shave is absolutely necessary; neatly trim beards & mustaches
- Avoid Sunburn – A nice tan photographs well, sunburn doesn't

### **Kids & Babies**

Timing is everything! A child's interest will last only 5 to 10 minutes, so we'll have to work fast!

- Babies and children should be fed and well rested
- Bring several changes of clothes, food, diapers, bottles, etc
- Bring dry food to avoid soiling
- Bring their special things. Toys to get their attention, or cherished items to include in the photograph.
